**Learn more about High Impact...**

High Impact has been serving listed companies, corporations and government offices on Strategic Planning, Process Improvement and Cultural Change Programme since 1998.

What our clients have achieved through process improvement:

- Three of our clients won the Hong Kong Management Association's Quality Award - Gold and Bronze Awards respectively.
- The productivity of a manufacturing plant has been improved over 10% in a 12-month period, generating over 50% improvement in profit.
- The order fulfillment lead time of a multinational corporation has been reduced from 16 days to 6 days.

**Learn more about ERA ...**

Expense Reduction Analysts (ERA), the leading specialists in expense reduction implementation, can help to bring your overhead costs down without sacrificing quality, at no risk to you. ERA focus on overhead expenses which are rather common across industries.

"ERA category expertise and no saving no fee remuneration were of great interest to us. We were particularly pleased with the way that they consulted and worked with our people. The results that they achieved are outstanding and the extra cost savings have dropped to the bottom lines as profit" - OPSM
